POSTED WORKERS

RISKS

- Financial penalties.
- Name and shame - publication of companies that fail to comply.
- Country bans on receiving short term postings.

CHALLENGES

- Time - consuming administrative tasks.
- Constant need to keep up to date with guidelines that differ by country on when to comply.
- No overnight or consistency on a corporate level.

SOLUTION

PINPOINT POSTED WORKER APP

- Up to date country forms and eligibility requirements.
- Automation means registration data is automatically collected when a travel request/booking is made.
- Registration forms completed once all data is received.
